Royeln Lavender 17th 1930830

Roan, Roy Pickering

L S F ROYAL PILOT - This is one of the very best sons of Montezuma. He has a grand head, ample bone, excellent spread and ruggedness. We sold a half brother for export to Columbia, South America. His dam is a heavy milker and a top cow in our herd.

IT PAYS TO BUY THE BEST

It required fortitude and foresight for Bill Bennett to come all the way from Winona, Wash. to the National Polled Shorthorn Congress held in Lincoln, Nebr. in 1946 and pay \$2500.00 - the all-time Congress record price for a bull - for the Grand Champion of the Show, Alauna Collynie. That his judgment was basically sound is borne out by the fact that Alauna Collynie, when mated to the good Bennett females, produced many outstanding calves, among which are the pair shown here, namely Hilldale Augusta May, 1948 International Grand Champion Female and Hilldale Collynie 8th, Reserve Grand Champion Bull at the same show. This Congress offering will present an equally good selection and unsurpassed opportunity to buy breed improving bulls and females from many of the country's best herds.

LOT 12 BULL

Roan, Jos. Miller & Sons
Queen of Beauty 74th 1711935
White, Bellows Bros.

JANESWAY CROWN - Was first in the strong class of calves at the Illinois State Fair. He is a good red, has the kind of head looked for in a breeding bull, is well balanced with great thickness and depth of body. Sired by our great breeding bull, the \$5000 Oakwood Grand Duke, and out of a cow that is solid red and ideal in conformation.

1948 INTERNATIONAL GRAND CHAMPION BULL

King of the Vanities 50th, 1948 International Grand Champion Bull, bred and exhibited by Lewis W. Thieman, Concordia, Missouri.

This good young bull is by King of the Vanities, outstanding sire of champions and high-selling Polled Shorthorns at both the International and Congress events, among which is Clarissa Coronita 4th, 1947 International Grand Champion Female that sold at the top of the International Sale for \$2500.00 to Ben W. Franklin of Kingston, Ontario. This Ninth Annual Congress offers modern type Polled Shorthorns by similarly well known breeding bulls that will be important foundations in successful beef production programs.

King Collynie Jr. x1718025
Roan, F. A. Ham
Lady Cherry 2d 1833983
Roan, Fred A. Johnson

ROYFIELD'S UNION JACK - It is quite fair to predict a great future for this young bull. We had to top the 1946 Lynnwood Sale to own his dam, a solid red cow sired by the noted Fascinator and out of a daughter of King Collynie, Jr. He is sired by one of the very best sons of Gosshall Ximenes, and is also a grandson of Oakwood Royal King. We feel there is nothing but top individuals in his ancestry. Herd T. B. and Bangs accredited.

RICHWOOD MONARCH 2ND

LOT 19 BULL JOHN T. RICHARDSON & SONS

CEREMONIOUS CORONET - A thick, low set solid red Junior Yearling son of Ceremonious Merry Stamp. His dam is one of our best and from the good Jilt family. He is a double grandson of Lee Dale Collynie.

SUPER-EFFICIENT BEEF PRODUCTION

Latest word from other cattle producing countries shows that economy buyers everywhere are swinging to Polled Shorthorns. The economic significance of the Polled head plus all the famous Shorthorn early maturity, greater weight for age, and easy-feeding dispositions is gaining rapid favor with cattlemen the world over.

In America, breeders look to the National Polled Shorthorn Congress for the outstanding offerings of the year from the nation's leading herds. Nowhere else do they find quite the wide selection with so many pleasing combinations of outstanding bloodlines, combined with superb individuality and modern type, and NEVER - in the entire history of Polled Shorthorns - have you seen such a collection of outstanding individuals and royal bloodlines as have been consigned to this sale. Every OUTSTANDING SHOW HERD in the last few years and a great number of headliner sires are represented. If you are looking for animals for super-efficient beef production - MEET US IN INDIANAPOLIS ON SALE DAY.

DALE'S NUGGET - A dark roan calf that looks very much like a breeding bull. His dam's sire was the Champion bull at the 1940 Indiana State Show and Sale. A heifer out of his dam was one of the good ones sold in the Congress Sale at Lincoln, Nebraska. He is a half brother to the Champion bull at the Ohio State Show and Sale last fall. His sire is one of the leading herd bulls of today.

THE FARMER, RANCHER AND COMMERCIAL PRODUCER
WANT EFFICIENT HORNLESS CATTLE
THE ANSWER: POLLED SHORTHORNS

Profit is the yardstick that governs the operations of the farmer or rancher who produces cattle for market, and these are the principal customers of breeders of purebreds. That is why Polled Shorthorns are going places. They are the most efficient, most adaptable to all farm and ranch conditions WHY? Because there is more room at the feed bunk or in shipping space with Polled cattle . . . Polled Shorthorns have that famous Shorthorn greater weight for age and earlier maturity . . . they have retained their growthiness and attained the smooth modern covering of flesh so desirable in market cattle . . . they produce more marketable meat in the same length of time on the same feed and do it easily and quietly without fuss. There are many bulls in this sale which will be ideal for adding those extra 50 to 100 pounds to purebred, market or crossbred calves. KEEP PACE WITH THE TIMES. Breed MODERN POLLED SHORTHORNS - the kind you will find in this Congress. Give the producer the kind he wants.

LOT 30 BULL

BEACHWOOD FARM
BEECHWOOD ADMIRAL x2508015 RE 81

Roan, calved May 2, 1948. Bred by Maurice Walther, Silver Lake, Ind; Owned by Beechwood Farm, Silver Lake, Indiana.

1948 INTERNATIONAL GRAND CHAMPION FEMALE

Hilldale Augusta May, 1948 International Grand Champion Female, that sold to Lynnwood Farm, Carmel, Ind. for \$3600.00, at the top of the International Sale, establishing a new record price for a Polled Shorthorn female sold at public auction. Bred and exhibited by J. W. Bennett & Sons of Winona, Wash., she was sired by the \$2500.00 1946 National Polled Shorthorn Congress Champion, Alauna Collynie. This heifer exemplifies the improvement of modern Polled Shorthorns achieved through the use of better sires and dams.

You will find more good females like her in conformation and quality, as well as in breeding, in this year's Congress. There is no more solid, sure investment than a herd of Polled Shorthorns. They are pleasant to work with, return maximum profits on your investment and are truly America's own breed.

LYNNWOOD ROSEBUD - This daughter of Lynnwood Nugget is out of a cow that is much admired by all who see her. She was top heifer in the Thieman sale in 1944. The dam of this heifer was sired by a son of Collynie Type 3rd, that is the same breeding as the great Riverdale. BRED DECEMBER 17, 1948 TO GLEN KNOLLS MONARCH x2292493. Calfhood vaccinated and pretested clean.

FOUNDATIONS FOR PROFIT

A few years ago Mr. A. W. Horton of Lodi, N. Y. started a herd with one double-bred granddaughter of Raveni Masterpiece and mated her daughters to a son of Scottish Peer x. The heifers produced from this mating were bred to Valley View Stamp x, a son of Gloster Dale.

Pictured above are some of the females now in Mr. Horton's herd, all of which show extraordinarily good type and quality, resulting from the use of top bulls mated to the right kind of foundation females. Here is an outstanding example of what can be accomplished by breeders, large or small, through the proper mating of carefully selected seed stock and proper development of their offspring.

TYPE, UNIFORMITY AND ADAPTABILITY

The progress of a breed is determined by the actual improvement of its animals. Constant improvement in leading Polled Shorthorn herds has been made possible through the careful selection of modern type breeding animals. The uniformity developed through this method makes the task of breeding Polled Shorthorns a much more pleasant one. Their efficiency in converting roughages into beef, their greater weight for age, fast gaining ability, gentle dispositions and hornless character, make them adaptable to all conditions under which beef cattle are produced.

Many of the foundation animals in the outstanding herd pictured above were purchased in Congress sales. They in turn have produced some of the most popular Champions at the Congress and other leading Polled Shorthorn events.

There is no better time or place to make selections for a profitable producing herd of Polled Shorthorns than in this 1949 Congress.

More Dollars in Your Polled Shorthorn Bank

JOIN NOW and SAVE

Values at all the Polled Shorthorn auction sales were up \$19 more per head than the same period last year - \$435 this year as compared to \$416 last year. A new all-time high average of \$650 a head, or \$92 more than a year ago was set at the 1948 Polled Shorthorn Congress. More Polled Shorthorn bulls are being used for cross-breeding and for natural de-horning of beef herds than ever before.

That is what a membership from thousands of breeders has helped accomplish. You keep those Polled Shorthorn progress lines going up when you become a member. A membership saves you from \$15 to \$50 and up each year, depending upon the size of your herd. In addition you have a voice in all Association elections. A Class B LIFE MEMBERSHIP costs only \$10 with yearly dues of \$1, a total of \$11. Join today. FOLLOW THE LEADERS TO GREATER PROFIT. Polled Shorthorn Society, 7 Dexter Ave., Chicago 9, Illinois.

Another daughter of King of the Vanities out of an exceptionally deep bodied, low set, big, but typy, red cow. The dam of this heifer is by International Grand Champion Oakwood Emperor, he by International Grand Champion Oakwood Royal King. 10 of the 14 cattle listed in this pedigree were either an International Grand Champion or the sire or dam of an International Champion. This heifer was a member of our 1948 show herd. Bangs vaccinated.

THE 1948 CONGRESS CHAMPION

The kind that become Grand Champions. It takes top quality females bred to impressive bulls to produce champions. To get the good ones the best must be mated to the best with superior producers backing each line.

Here are two splendid illustrations of that procedure - Jnoetta Defender, Grand Champion of the 1948 Polled Congress held at Kansas City, bred by John H. Kroeck, Lexington, Mo. and sold for \$2000.00, the top of the bull sale, to Sperry Farms, Greenwich, New York - - and Cherry Hill Clara 4th, Grand Champion Female, bred by H. L. Straus, Reisterstown, Md. that also sold to Sperry Farms for \$2500.00, one of the two female sale tops.

No greater source of breeding stock capable of producing the champions of tomorrow will be found than right in this 1949 Congress. The bulls and females are backed by strongest ancestry and are of ideal type and quality.

Is a full sister to the top selling female in our last sale. Out of a daughter of Collynie Goods, sire of the Champion bull and Reserve Champion of the 1942 Congress and the Champion female of the 1945 Congress. Lynnwood Nugget, her sire, also sired the \$5000 Riverdale, Champion female at the 1947 Indiana State Fair and the Reserve Champion bull at the 1948 Congress. Bangs vaccinated.

FOUNDATIONS FOR SECURITY

Polled Shorthorns are the choice of the man who looks to the permanency of his economic future as well as to a long term breeding herd program. These thick, blocky, close to the ground, quiet, easy-feeding matrons with abundant scale for age and plenty of milk for early maturing calves, are the foundation herd of a man who started with the right kind, many of which came from the Congress Sales where there is always a wide choice of excellent females. Upon the cow herd depends the speed with which returns are gained on cattle investment. These cows are the kind that not only go on working for their owners every minute of their lives, but also turn otherwise wasted roughage into a thrifty bank balance at the same time converting land into more fertile acres.

COLLINSBY BEAUTY - A beautiful daughter of International Grand Champion Master Stamp. Here is a pedigree you should not over look. Pretested clean and Bangs vaccinated.

World Wide Demand

Polled Shorthorn breeders, by incorporating into their animals greater concentration of quality, more uniformity, increased usefulness and a closer adherence to the modern beef type, have created a demand that has brought the cattlemen of the world to our doors. Since Polled Shorthorns were developed and improved in America, this is their original source of supply. This foreign trade combined with an ever-increasing demand at home, creates a ready market for the good surplus animals of every Polled Shorthorn breeder. BUY TOP POLLED SHORTHORNS IN THIS SALE and help us meet this ever-increasing demand.

An open daughter of King of the Vanities, sire of the 1947 International Grand Champion female and the 1948 International Grand Champion bull. She is out of a very attractive daughter of Gloster Dale 2d that has been a real producer. An outstanding show prospect. Bangs vaccinated.

NATIONAL CONGRESS

The years continue to add evidence that giving each buyer an over-flowing measure of square deal is the smartest business practice any breed auction can follow, and that can be said of every Polled Shorthorn Congress to date. The who's who buy here. They have learned by experience that there is no more dependable foundation for a leading herd than championship blood, and it can always be found at these annual national events. COME AND PROVE IT TO YOURSELF.

Memorandum

Polled Shorthorns

From America to the World

America Bred Them

America Developed Them

America Improved Them

The WORLD buys them
